

iMac/MacBook

To register an **Apple desktop/laptop device to access our Wi-Fi: Eduroam**, complete the follow steps below:

NB: If you have an USB-to-Ethernet adapter, please make sure they are Apple certified (i.e Unitek)

1. Connect your adapter to your Mac, then connect then ethernet cable to the adapter.
2. Open your browser: The web address for the self-registration site will load automatically for most devices, for those that don't please connect to the following web address <https://registerme.sun.ac.za>
3. *When getting an error message "Unauthorised".*
 - Select **Cancel**.
 - Continue by entering the web address in your browser.
 - <https://registerme.sun.ac.za>
 - [blocked URL](#)
4. You will be prompted to login with your **mymaties account details**.
 - Username is your **email address (student number or username@sun.ac.za)**
 - Password is your **mymaties password**.
 - Click on **Log In**.
5. You will now be logged into the self-registration website. Scroll to the bottom of the page when you done with reading the Terms and Conditions.
 - Check the box.
 - Select **Bevestig/Confirm**.

 - [blocked URL](#)
6. If the payment option is required (*the fee will be deducted from your student account*):
 - Check the box.
 - Select **Betaal/Pay**
 - Device Type: **Laptop Apple/ Desktop Apple**
 - Serial number: Select "**Click here if your device does not have a serial number**" and
 - Select the relevant information that applies to the device you are registering and your location enter any letter at the back of the serial number.
 - Cell phone number: Enter your **cell phone number**.
 - Location: The location where you at while registering your device.
 - Room: The room where you at while registering your device.
 - Hostname: Hostname must be a small caps letter 's' before your student number: s1234567.
7. However, if the hostname already exists please add a letter to the end of your student number. **Example s123456w for Wi-Fi and s123456l for LAN**. If you have more than 2 Wi-Fi devices registered, please use other random letters after your student number.
8. When all relevant information is filled in, select **Register Me!**
 - [blocked URL](#)
9. You now will check in your network preferences menu for the LAN to turn green.

If you are unable to register your device to the Wi-Fi and need assistance, click here to log a [Service Request](#).
