

Apple iPhone

NB* For First year students only, when you connect to Eduroam you will have connection with restricted capacity until the end of March 2023 and then disconnected if you do not opt in.
If you do opt in, you will have full access to university services.

To register a **windows device to access our Wi-Fi: Eduroam**, complete the following steps:

Step-by-step guide

1. After completing RegisterMe! click on **Instructions for using the CAT** that pertains to your device or enter link <https://cat.eduroam.org/?idp=2472&profile=4284>
2. Click the **Apple device** button.
3. Allow the **Config file** to be downloaded
4. Go to Settings
5. General
6. VPN & Device management
7. Install the selected profile.
8. Next on **Consent**
9. Install on the next page.
10. Enter login details: full university email e.g username@sun.ac.za
11. Enter **password**.
12. Profile should now be installed.
13. Go to your wifi setting and select blue "i" next to **Eduroam**
14. Click **Join** network
15. Click **OK**
16. Once credentials are verified and authenticated status message will be: **Connected**
